

Royalty Program

How Does VisionWeb Support the OAA?

VisionWeb is proud to be a corporate partner of Opticians Association of America, supporting the people who use our services every day. VisionWeb also provides royalties to the OAA on orders that OAA members place over the VisionWeb network. OAA distributes the royalties to the state associations from which the VisionWeb ordering members belong. Each state association will use the royalties at its own discretion to support programs and defray membership costs.

How Do I Participate in the Royalty Program?

All OAA members who use VisionWeb are eligible to participate. Simply log in to your VisionWeb account at www.visionweb.com and click the OAA Royalty Program registration link. You will be required to enter your OAA member number, practice name, phone number, email, and affiliated state association. Once you register your practice, all orders placed by any member of your staff will count toward your practice's order total for the annual earning period, which runs from April – March each year.

Once your practice places 600 orders during the earning period, you will earn a 1% royalty on the transaction fee paid by the suppliers with whom you order, approximately \$1 per order. Place over 1,200 orders during this time and we will increase the royalty percentage to 2%, place over 2,400 orders and we will increase the royalty percentage to 3%.

How Much Can My State Association Earn?

Order volume from you and other OAA members in your state determines how much you contribute to the total royalty payment. Below is an example of how quickly it adds up!

Number of participants in your state	Royalties earned at 600 orders/year	Royalty earned at 1,200 orders/year	Royalty earned at 2,400 orders/year
100	\$600	\$2,400	\$7,200
250	\$1,500	\$6,000	\$18,000
500	\$3,000	\$12,000	\$36,000

Getting Started

Register today for this program and each order you place will count towards your practice's order total for the year. You only need to register your practice once to participate for the life of the program.
