Convenient Ordering and Insurance Processing

ifile Cfile vision+

Order Direct to Your Suppliers with Ease

VisionWeb and MSF Computing, Inc. have integrated VisionWeb's online ordering service within the IFILE, CFILE, and Vision Plus systems. Using the integration, you can place orders to your suppliers without having to access the VisionWeb site or re-key order information into another system. Your practice will save time and reduce duplicate data entry, while still gaining the benefits of VisionWeb's online ordering service, including:

- Direct access to hundreds of suppliers from one interface
- Custom catalogs and error checking to improve order accuracy
- Improved turnaround time on orders placed electronically
- Ongoing technical support and customer service

Getting Started

Customers of IFILE, CFILE, and Vision Plus seeking the ability to place spectacle lens orders to laboratories via the VisionWeb integration should contact MSF Computing at (519) 749-0374.

duplicate
data entry**

Upload Insurance Claims with One Click

IFILE, CFILE, and Vision Plus are compatible with VisionWeb's insurance processing service for claim upload direct to payers. You can upload single or batch claims to thousands of insurance payers nationwide, with a single click from within the VisionWeb interface. Your practice will save time and reduce errors associated with re-keying claims, while gaining the benefits of VisionWeb's insurance processing service, including:

- Connections to thousands of payers from one interface
- Patient eligibility and authorization information at your fingertips
- Simplified claim status information and detailed reporting to monitor claim acceptance
- Remittance information managed electronically to replace paper EOBs
- Improved claim acceptance and reduce reimbursement time on claims processed electronically
- Ongoing account management and customer service

VisionWeb's insurance transaction processing service is affordably priced for practices of all sizes.

Getting Started
