# Convenient Ordering and Insurance Processing

## Order Direct to Your Suppliers with Ease

VisionWeb and EMRlogic Systems, Inc. have integrated VisionWeb's online ordering service within the OD Professional™ and MD Professional™ systems. Using the integration, you can place orders to your suppliers without having to access the VisionWeb site or re-key order information into another systems. Your practice will save time and reduce duplicate data entry, while still gaining the benefits of VisionWeb's online ordering service, including:

- Direct access to hundreds of suppliers from one interface
- Custom catalogs and error checking to improve order accuracy
- Improved turnaround time on orders placed electronically
- Ongoing technical support and customer service

Unique to the integration with OD Professional and MD Professional, lab-catalog downloads and custom setup are offered within the application, reducing time spent on catalog pricing setup and maintenance from months to minutes.

## Getting Started

Current OD Professional and MD Professional clients should contact Technical Support at (866) 623-5644 to get started. Prospective OD Professional or MD Professional clients contact Sales at (866) 367-2899 ext. 22 to learn more.

**Save time and reduce  
duplicate data entry**

## Upload Insurance Claims with One Click

OD Professional and MD Professional are compatible with VisionWeb's insurance processing service for claim upload direct to payers. You can upload single or batch claims to thousands of insurance payers nationwide, with a single click from within the VisionWeb interface. Your practice will save time and reduce errors associated with re-keying claims, while gaining the benefits of VisionWeb's insurance processing service, including:

- Connections to thousands of payers from one interface
- Patient eligibility and authorization information at your fingertips
- Simplified claim status information and detailed reporting to monitor claim acceptance
- Remittance information managed electronically to replace paper EOBs
- Improved claim acceptance and reduce reimbursement time on claims processed electronically
- Ongoing account management and customer service

VisionWeb's insurance transaction processing service is affordably priced for practices of all sizes.

## Getting Started
