## Convenient Ordering and Insurance Processing

### Order Direct to Your Suppliers with Ease

VisionWeb and OfficeMate Software Solutions have integrated VisionWeb's online ordering service within the OfficeMate practice management system. Using the integration, your practice will save time and reduce duplicate data entry, while still gaining the benefits of VisionWeb's online ordering service, including:

- Direct access to hundreds of suppliers from one interface
- Custom catalogs and error checking to improve order accuracy
- Improved turnaround time on orders placed electronically
- Ongoing technical support and customer service

OfficeMate customers can place and track orders for spectacle lenses, contact lenses, and frames from within OfficeMate using the ordering integration with VisionWeb.

### Getting Started

OfficeMate customers seeking the ability to place orders via the VisionWeb integration, should contact OfficeMate Software Solutions at (800) 269-3666, option 8, ext 5036 or VisionWeb Customer Service at (800) 874-6601, for information on how to get started.
